

Serial No. 09/187,732

- 4 -

Claim 29 includes the subject matter of claims 1 and 13, which had been indicated allowable by the Examiner.

In view of the above, since none of the references either singly or in combination teach or suggest Applicant's claimed invention, it is asserted that claims 1, 15, 23 and 29 and claims dependent therefrom are patentable over the art of record and are in condition for allowance. Reconsideration of the rejection is respectfully requested and an early and favorable action is earnestly solicited.

Attached herewith is a Declaration and Power of Attorney required by the Examiner.

A check in the amount of \$39.00 for the additional claim fee is attached herewith.

Please charge Deposit Account No. 19-2105 for any fees required to be paid in connection with this submission.

Respectfully submitted,

Josefino P. de Leon
